

The message changes with what the audience already knows

PROBLEM-AWARE

They know the problem.

“Stop trying to hide the frizz and fix it from within!”

The ad starts with the hair problem.

PRODUCT-AWARE

They know the brand / product.

“What if we told you that your Human Nature faves are made right here in the Philippines?”

The ad reinforces a reason to choose the brand.

MOST AWARE

They're ready for an offer / CTA.

“Extra savings, exclusive launch discounts and perks...”

The ad leads with deal + perks.
